TRUSTEES' MEETING

COMMITTEE HAS PRESENTED RATE CASE TO PACIFIC ELECTRIC OFFICIALS

The Board assembled for regular meeting September 26, 1918, at 8:20 p. m., all members present. The minutes of the last meeting were read and approved.

Mr. Nichols appeared before the Board and stated that he is engaged in remodeling a building in Verdugo canyon and has the work about completed but finds he is not permitted under restrictions of the city ordinance to put in a cess pool, the excavation for which he has already made. The matter was discussed at some length, but no action was taken.

A communication was read from Captain W. B. Kelly, a member of the military instruction committee, requesting that the public service department be instructed to install a temporary lighting system on the High School grounds to be used on drilling nights. On motion of Trustee Henry, the request was granted and the manager of the public service department was instructed to put in the necessary equipment.

A request was presented to the Board for permission to hunt on the ranch of C. D. Thom, from Dr. T. C. Young. On motion of Trustee Henry, the same was granted.

An application was received from C. H. Taylor for permission to operate a motor car in the jitney business, which having the approval of the City Manager and the police department was ordered to be granted.

A communication signed by the various lumber yards and hardware concerns of the city was read requesting that the section of the building ordinance requiring permits to be taken out for any structure, the cost of which exceeds $20.00, be changed so as to make the minimum $75.00. On motion of Trustee Shaw, the City Attorney was instructed to draw up an ordinance amending the building ordinance as requested in the communication.

The City Manager reported that owing to the postponement of the application of ruling by the Capital Issues Committee it was not necessary to apply oil to Harvard street on Sunday last.

The manager of the public service department presented a request from the Pacific Telephone and Telegraph Co. for permission to do certain underground work which, on motion of Trustee Henry, was granted.

At 9:30 p. m. the Board took a recess. The Board reconvened at 9:50, all members present.

Trustee Muhleman reported for the committee appointed at the last meeting to interview the officials of the Pacific Electric Ry. Co. regarding the Glendale local rates, to the effect that the committee had presented its case and the matter is now being considered.

A communication addressed to the City Manager was filed with the Board from the Glendale-Montrose Ry. Co., stating that the cost of operating the company's lines has increased to such an extent that it has become necessary to consider a curtailment of the service. On motion of Trustee Muhleman, it was expressed as a sense of the Board that the Board does not accede to this request.

On motion of Trustee Henry, the City Manager was instructed to secure a flag for the branch city hall in Tropico District.

SUBMARINE BASE BAND CONCERT

On Sunday afternoon at 3 o'clock, at the Glendale Union High School, a concert will be given by the Submarine Base Band. This announcement should be sufficient to bring out twice as many people as can be seated, not only because it will be a splendid concert, worth $1.00 if heard at a theatre, but because it is given in the interest of the greatest cause on earth just now—the winning of the war by the boosting of the Fourth Liberty Loan.

We all need to have our enthusiasm kept to top notch these days, because we are at the climax of the war right now and need every ounce of effort we can put forth.

If the principles as enunciated by President Wilson are those which are in our hearts as we fight for world freedom and for the oppressed and down-trodden, we can not worship God in a better way than by doing our utmost to win.

Let us all be there and give these boys such a rousing reception that they will report Glendale to be the most loyal little city in Southern California. Save the "gas" which the government needs so badly by leaving the machine in the garage on Sunday afternoon and attend this concert with your family and friends.

ARMISTICE PROPOSED FOR BULGARIA

BULGARIAN PREMIER MOLINOFF RECOMMENDS IT BUT IS NOT SUPPORTED BY CABINET AND CZAR

(Special Service to Glendale Evening News)

LONDON, September 27.—Copenhagen dispatches arriving here today state "German reports announce that the Bulgarian premier, Molinoff has proposed an armistice between Bulgaria and her enemies." The dispatch said that other members of the cabinet and the Bulgarian Czar did not support Molinoff's proposal.

Great dissatisfaction is said to be in evidence throughout Bulgaria.

Dispatches said that strong measures have been taken at the Bulgarian front and a counter movement against Molinoff has been started.

Molinoff is the leader of the anti-war party and when he became premier a few months ago it was predicted that he would work for a separate peace.

PENETRATE HINDENBURG LINE DEFENSES

BRITISH ADVANCE BEYOND DU NORD CANAL THROUGH MAZE OF TRENCHES AND WIRE

(Special Service to Glendale Evening News)

WITH THE BRITISH ARMIES IN THE FIELD, September 27.—The British attacked early today on a thirteen mile front toward Cambrai. The initial penetration was three miles at the deepest point.

The British crossed the Hindenburg line, including the Du Nord canal on a twenty mile front, taking numbers of prisoners. They penetrated 7000 yards beyond the canal through a maze of trenches and wire barriers which form the Hindenburg defenses. At 7:55 o'clock other elements were advancing on Bourlon, four miles west of Cambrai, and the Germans were surrendering to them in droves.

LONDON, September 27.—Field Marshal Haig reports this morning that the British attacked on a wide front south of the Sensee river at 5:20 o'clock this morning. He characterized their progress as satisfactory.

WOULD COURT MARTIAL PREMIER MOLINOFF

GERMANY INTENDS TO MAKE A SOLEMN PROTEST AGAINST HIS ARMISTICE PROPOSAL

(Special Service to Glendale Evening News)

AMSTERDAM, September 27.—Dispatches received today say that Germany intends to make a solemn protest against Bulgarian Premier Molinoff's armistice proposal. The German newspapers demand that Molinoff be court martialed as a traitor.

It is believed his proposal followed Germany's refusal to reinforce the Bulgarians.

MACEDONIAN ADVANCE TOTALS 75 MILES

THE SERBIAN INFANTRY IS NOW WITHIN TEN MILES OF USKUB SAY DISPATCHES

(Special Service to Glendale Evening News)

LONDON, September 27.—The advance of allied forces in Macedonia has reached a point south of Uskub and the Serbian infantry is within ten miles of Uskub, according to official dispatches.

The Serbian official statement is that the allied advance in Macedonia now totals seventy-five miles.

CONTINUED ADVANCE IN CHAMPAIGN REGION

MORE THAN SEVEN THOUSAND PRISONERS TAKEN IN YESTERDAY'S OPERATIONS BY FRANCO-AMERICANS

(Special Service to Glendale Evening News)

PARIS, September 27.—The war office today announced that the French and American forces resumed their drive in the Champagne territory this morning despite the bad weather. The prisoners taken in yesterday's operations have not as yet been fully counted but over seven thousand have been counted including two hundred officers.

From the Suippe to Argonne the French penetration totals over three miles including vast trench mazes and wire entanglements. At some points the penetration is greater.

Many important fortified positions as well as villages and unfortified towns have been captured.

AUSTRIANS REINFORCING BULGARIA

WASHINGTON OFFICIALS NOT SURPRISED AT ARMISTICE PROPOSAL BUT RESERVE COMMENT FOR PRESENT

(Special Service to Glendale Evening News)

WASHINGTON, September 27.—Authentic dispatches state that Austria is rushing reinforcements to Bulgaria.

Officials were not surprised at the Bulgarian armistice proposal but reserved comment until details are received, some fearing it might be German camouflage for a peace offensive.

FIRST LOAN GUN

SERGEANT J. S. MORAN MAKES STIRRING ADDRESS AT COMMUNITY SING

Because of the rain and because of an Eastern Star banquet, an Elks' bowling championship contest and some other things, not as large an audience was present at the Community Sing Thursday night as attended the last meeting, but the auditorium was well filled nevertheless.

A late beginning was made and the evening's work was interrupted for a ringing speech from Sergeant Moran of the Canadian Army, who is the last of his immediate family and the survivor of four brothers, three of whom died in the war. His plea for subscriptions to the Fourth Liberty Loan was eloquent and irresistible.

Prof. Kirchoffer opened the program by singing for his chorus the splendid new song which the Tommies sing when they march away and when they return from the trenches, called "The British Army Drive," beginning: "Here we are, here we are, here we are again." Mr. Kirchoffer has the only copy of the words and music west of the Mississippi, he says, and can only teach it by special permission of those who control the copyright, but he expects to have the right to teach it in Glendale when next he comes, and it is quite certain the chorus will want to learn it as it is very spirited, martial and melodious.

He also gave some drill in "Sons of America," which promises to be a great favorite. In that connection, he released the information that a choral contest may be arranged between the two best community choruses under his instruction, and he insinuated there was a possibility that Glendale might get in under the canvas. The words of the verse sung were:

"Sons of America! America needs you.
Protect your country's flag,
The old red, white and blue.
United stand to guard our land,
Of liberty."

Of the familiar airs, the chorus sang, and sang with excellent effect, thanks to Mr. Kirchoffer's untiring instruction and splendid leadership, "Jingle Bells," "Old Black Joe," "America," "Onward Christian Soldier," and finally (of course) "The Star-Spangled Banner," with three cheers for our boys over there and the armies of the Allies.

Sergeant Moran is of slight figure, but well set up and soldierly in bearing. Though he has been crippled by very serious wounds which caused his honorable discharge from the army, his limp is scarcely perceptible, so easily does he carry himself. It was good to look upon one who had come through the baptism of gas, fire and shell in the awful battles of 1914, 1915 and 1916, and was so much a man in all his parts. To many an auditor it was a promise that our own boys will return even though wounded, far from the cripples we have expected to be the inevitable harvest of war.

He briefly recited the cause of the war in Germany's ruthless ambition to dominate the world, referred to her violation of all international codes of war and the fearful atrocities she perpetrated, as a reason why this Fourth Liberty Loan which calls for six billions of dollars should be subscribed and over subscribed that we may have three millions of soldiers in France thoroughly equipped as an army by next spring, promising that with such a force to grapple with Germany the war will be ended by next fall and our three million boys can come home. Without this six billions to send and equip such a force, he threatened the prolongation of the war and possible loss of three million men, "for," he declared, "the war must continue until victory is with the allies if it takes twenty years," a sentiment indorsed by the warm applause of the audience. He seemed to feel no doubt of America's answer to the appeal for the six billions and prophesied that next fall would see American armies so far advanced into Germany that it would take eighteen million tons of dynamite to drive them out.

He showed how the Germans by their atrocious methods of warfare overreached themselves and filled their enemies with a hatred that inspired them to incredible feats of valor which saved the day at those early battles when nothing short of complete defeat seemed humanly possible in the face of Germany's preparedness and the unpreparedness of the Allies. He declared that it is not a political war but a war of self preservation as far as the Allies and America are concerned, which makes it imperative that there shall be no holding back on the six billions.

His strongest demand was made

RICHARDSON D. WHITE

SCHOOL SUPERINTENDENT ENLISTS IN BIG GUN CORPS AND IS GRANTED LEAVE

News from the local Exemption Board that Superintendent of Schools Richardson D. White had applied for induction into the Big Gun Corps which is to be assembled at Fort MacArthur, with the further news that he had been accepted by the Los Angeles recruiting officers, that he had successfully passed the physical examination and that his papers are now on the way to Washington, is like a bomb dropped into the life of the community. Superintendent White has been such a central figure and so necessary, seemingly, to the conduct of our schools, which have taken high rank as educational institutions under his fostering care, it is hard for Glendale to adjust itself to the thought of doing without him.

Thursday evening the Board of Trustees of City Schools, consisting of Mrs. Charles Toll, president, and Trustees John Todd and D. J. Hibben, met and received Mr. White's verbal resignation with the explanation of why it was tendered, and instead of accepting it as final, granted him a leave of absence. They say it will be a heavy responsibility to find any one to fill his place, even temporarily.

In reciting the reasons which led him to take this step, Mr. White says:

"Word has come from Washington that there is great need of men of mature judgment for officers and that the army is really in danger of suffering from having too many young officers, men who lack the necessary stability and judgment. My whole life has been spent with boys and young men and I felt I was qualified on that side. It has seemed to me that a good officer ought to be a sort of father to his men. I felt I could be that, and it seemed to me if that need exists, it is the time for men who have the qualifications to come forward. I was satisfied the school district affairs, though very important, could be taken care of. The Board has already granted me a leave of absence for the training period and I can not tell until I am tried out whether I can stand up under the work. It may be that I will come back, but of course I am planning to 'see it through.' I do not know when the call will come, but it will be some time between October 12th and November first.

"The most of the training will be at the Heavy Artillery Officers' Training Camp at Fortress Monroe. The total period of training is four months, which will take it into March. Three months of that will be at Fortress Monroe and six weeks at Fort MacArthur. It is a branch of the service that requires mathematical knowledge and more education than most branches. For that reason they make the training period longer."

GLENDALE, CALIFORNIA, FRIDAY, SEPTEMBER 27, 1918

O. E. S. BANQUET

GLEN EYRIE CHAPTER ENTERTAINS MATRONS AND PATRONS OF 1918 IN S. C.

Thursday evening, Glen Eyrie Chapter of the Eastern Star entertained with a three-course banquet in honor of matrons and patrons of 1918 in Southern California chapters of the Order. At this important function, at which covers were laid for one hundred and fifty guests, chapters in Los Angeles, Ocean Park, Hollywood, Van Nuys, Santa Monica, Huntington Park, Eagle Rock and other nearby cities, were represented.

The dinner arrangements, which were superintended by Mrs. Claud Pulliam and Mr. Rattray, excited general admiration. Tables were placed in the form of a triangle with a cross in the center, and were beautifully decorated with dahlias of varied hues by the committee on decoration which consisted of Mesdames Pollock and Braden and Miss Nichols. The Stars and Stripes conspicuously stationed upon the platform provided a sufficient note of color there.

As for the banquet itself, it could not have been improved upon, as it was cooked by the women of Glen Eyrie Chapter, and was beautifully served by the men of the chapter.

As general chairman of the affair, Mrs. Dan Campbell welcomed the guests and spoke of the happiness experienced by the chapter in having so many men with them when there were vacant chairs in so many homes left by the men who have gone over seas in the service of their country. She paid a tribute of appreciation to President Wilson and spoke of the war and of the drive for the Fourth Liberty Loan, which she considered would be a test of our patriotism and show how much the flag really means to us. She also introduced Lieutenant Moran, who was the special guest of the dinner and who made a very stirring, patriotic speech on behalf of the Liberty Loan. Mrs. Campbell made him happy by confiding to him that "she was Irish, too," he having been born in Dublin, though he entered the British service as a Canadian.

Following the dinner, officers from the different visiting chapters were selected to put on the work of the evening.

An entertaining program arranged by Mrs. Warren Roberts with the assistance of Mr. and Mrs. E. U. Emery, included the following numbers:

Vocal solo—Mrs. John Allan Legge, with piano accompaniment by Miss Alice Gray Beach.

Piano Solo—Miss Helene Morgan.

Vocal Solo—Miss Margaret Lusby, with piano accompaniment by Miss Beach.

Vocal Solo—Mrs. C. L. Peckham, with piano and violin accompaniment by Misses Gertrude Champlain and Miss Frances Peckham.

Reading—Mrs. Gertrude Follansbee.

The chapter congratulated itself on the large attendance, in view of the fact that a big Eastern Star bazaar was being given in Los Angeles and that the Grand Officers who are visiting Southern California were being entertained by the Azusa Chapter.

Mrs. Campbell wishes to thank all who helped in any way to make the affair the success it was.

STATE COUNCIL OF DEFENSE LOS ANGELES DIVISION

All permits for building must be referred to H. W. Keller, Chairman Priorities Committee of the Council of Defense at their office, 719 South Hill street. This was the announcement today of Director of Publicity Harold Janss, who further stated that all applications must be in affidavit form, with complete plans and specifications attached, and also information designating the use of the contemplated building or buildings. This does not refer to repairs or alterations to buildings up to an amount of $2500.

This ruling is following the recent instructions from the National Government issued for the conservation of building materials and the elimination of unnecessary and non-essential construction work today.

SOLDIERS' CHRISTMAS PACKAGES

Glendale mothers are depressed over the gloomy outlook for sending Christmas packages to the boys at the front. The attention of the Evening News has been called to an article on this question in the Stars and Stripes of August 30th stating that the Chief Postmaster is doubtful if it can be done owing to the demands upon the French railroads for moving necessities in the shape of food and munitions for the army, but it is not yet absolutely tabooed.

Under the circumstances, with such a shortage of vessels that the U. S. is unable to import sugar from Japan or the Philippines and must ration all the peoples of the world, would it not be well to confine Christmas gifts to paper articles or their equivalents in weight, or to send gift certificates which could be filled through the army candy factories and canteens, or through the merchants of Paris, who would probably be able to get small packages through.

NOTICE, REGISTRANTS!

The two mass meetings tonight at the Palace Grand theatre and the High School will start at 8 p. m. sharp. Please bear in mind that in military life 8 p. m. means exactly 8 p. m. There will be splendid music at both meetings and it is hoped that the families of registrants will take it upon themselves to attend.

Personals

Commander Clark of the N. P. Banks Post, who usually makes his headquarters in this city, will go to his little ranch in Tujunga in a few days to spend several weeks there making improvements.

Mr. and Mrs. C. W. Hughes, who recently disposed of their home in Glendale and went to Fallon, Nev., have discovered that they can not endure life away from Glendale and have returned. They are cozily situated in the Flower apartments.

Anson Waldorf Pitcher, son of Mrs. Sarah Pitcher of this city, was entrained Thursday with James F. McBryde for Fort Worth, Texas, for army work as a limited service man to take the place of two registrants from this district who have been rejected.

There was considerable excitement in the western part of the city yesterday when an aviator swooped down from a considerable altitude and seemed about to land. He was merely practicing or making observations, however, and rose again without making a landing.

EUGENE IMLER GOES EAST

Eugene H. Imler left Friday for Camp Alfred Vail, Little Silver, N. J., to continue his studies in radio transmission, having successfully passed the government course at Throop college, Pasadena. He will probably be sent to Yale University for preparation as a Signal Officer.

NEW BUSINESS FIRM

H. M. Goldsmith, who has lived in Glendale for the past eight years and who has made many friends here through his connection with the Lyons grocery for five years and with the Glendale Laundry for several months, has gone into partnership with Mr. Lappin of the French Electric Cleaning Works, 622 East Broadway, opposite the city hall. Mr. Goldsmith by his wide acquaintance in the city, will be a valuable addition to the firm, which has already built up a good business by honest methods and superior work. 22t1

COMMUNITY TRAINING SCHOOL

The Sunday Schools of Glendale are planning a Community Training School for Teachers which they hope to launch tomorrow night. An effort is being made all over the nation to enlist young folks of the Sunday Schools in training for service as teachers and leaders in Sunday School life. The drive contemplates a Community School in every place where such may be held with profit.

At a preliminary meeting at the Lutheran church last Saturday night, the superintendents were unanimous in their approval of a big union school and they have secured the president of the organization of the campaign for Southern California, Edgar Lloyd Smith, to address a larger meeting to be held tomorrow (Saturday) night at eight o'clock at the Lutheran church.

All Sunday School workers, superintendents and pastors of Glendale and vicinity are urged to attend.

REPORT OF CHAPTER SCHOOL COMMITTEE OF JUNIOR RED CROSS

The Chapter School Committee of the Junior Red Cross met at the Intermediate School Wednesday at 3:30 p. m. with Mr. White, the chairman, presiding, and the following members present: Mrs. Ryan, Mrs. Taylor, Miss Waite, Miss McIntyre, Mrs. Stone, Miss Hatch, Mrs. Barclay, Mrs. Jones, Mrs. Thompson and Miss Jackson.

The treasurer's report was read, showing the net returns from the salvage from July to September 1st to be $256.58.

The committee reported that it had investigated prices of machines for the salvage work and recommended that we buy a new Ford truck. This was decided upon by the Chapter School Committee.

Arrangements were made for the collection of garments which have been brought to the various schools, each having reported the gathering of a great quantity.

It was also decided that the Junior Auxiliaries shall build cupboards at Red Cross headquarters for depositing finished garments which they send in.

Another committee reported the completion of signs to be distributed when the Red Cross truck begins the collection of salvage. These signs are to be hung up to let the driver know one has salvage and he will stop where a sign is displayed.

Each auxiliary subscribed for the Red Cross Magazine, which is to be placed in each school library.

FIRST LOAN GUN

(Continued from Page One)

over there fighting in the American army. The fathers and mothers, he said, would give to the last dollar. They did not need to be urged. It is these other people who have the heavier obligation because they had made no human sacrifice although some one is on the fighting line battling for each one of them. The least that such could do, he made it clear, is to furnish the money. "Where is the money coming from to pay the bonds?" he queried. "That is no concern of yours now. The thing that matters now is whether the war is to be won or lost for civilization and humanity." (Applause.)

In conclusion, he referred to the cosmopolitan character of our population and characterized America as the melting pot of the world. "Out of this melting pot," said he, "has sprung the most manly army in Europe. The world stands astounded at what America has done. It is almost inconceivable that a nation could put almost two millions of trained men fully equipped as your men have been, into the battle front of Europe in the time that America has taken to accomplish it. Only by standing shoulder to shoulder have these things been possible. If you had not had at the head of your government the man of executive ability and brains that you now have, it is doubtful if this wonderful thing would have happened, and the men of your army are as capable and able to think as the man at the head of your government. As a people, you have reason to be proud of your army, proud of your country, and if you are not men and women enough to be proud of that wonderful record, for God's sake stick your money in your pocket and go and find yourself an island in the South Seas and buy it." The closing of the address was the signal for a storm of applause.

Alexander Mitchell, president of the Community Sing organization, introduced the speaker and made a brief and patriotic supplementary speech at the close of Sergeant Moran's address, in which he indorsed the Sergeant's plea for the bonds.

A meeting of Liberty Loan campaign chairmen and lieutenants was held after the audience was dismissed.

MEN WANTED

Mrs. Glenwood Jones, Chairman of the Junior Red Cross, is sending out an urgent call for six men to help in the packing of the shipment of clothing for Belgian relief which is being sent forward by the Glendale Red Cross in response to the recent call. The six men or more who respond to this call are asked to present themselves at Red Cross headquarters above the Bank of Glendale on Brand boulevard, early Saturday afternoon. This is an urgent need and workers should come the rescue of the women who have been giving service in this line.

HIS COMRADE IN WHITE

"Blessed are the peacemakers, for they shall be called the children of God."

You who have given your most cherished treasure,
Your son,
Without pausing to think of your own selfish pleasure,
Have done
That which will bring rich blessing on you,
For this is what Jesus has told us to do;
In His might He'll defend him,
With love He'll befriend him—
His Comrade in white.

In going forward in battle array
He becomes
A peacemaker blest, before the mad fray;
The verse runs—
"A child of God," he truly is called,
At naught shall he waver or stand by appalled;
For close to his right, standing faithfully by,
Anxious, list'ning for the faintest cry
Is his Comrade in white.

In lonely bivouac or dark, dank trench
He will stand,
Watching and waiting in the loathsome stench
With a hand
To guard and protect from the enemy's thrust,
While the lad just relies and implicity trusts,
And fights for the Right with the aid of the One
Through whom, at last, the victory will come,
His Comrade in white.

In the darkness and silence of a pain-endless night
He'll appear,
When anguish and suffering seem almost to blight,
He will cheer,
And the deep aching void He'll becalm and He'll fill
When even the last hope seems to be still;
In a vision of Light the boy'll look and behold
The face which will make him both strong and bold—
His Comrade in white.

DEATH OF CLARA HARRISON LETTS

The death last evening, September 26th, 1918, of Clara Harrison Letts in the bloom of her young wifehood and motherhood, for she was married only a year ago and died at Thorny-croft in giving birth to a son, is a great shock not only to her husband and parents, but to the large circle of friends to whom she had endeared herself during her five years' residence in this city. She was but 27 years of age and was the wife of Eugene Letts, who is a close relative of the Los Angeles merchant, Arthur Letts, and was the daughter of Mr. and Mrs. A. J. Harrison, who now reside on Windsor road. A brother, Harlow Harrison, also mourns. She was born in Brooklyn, New York, and resided in the East until about eight years ago. Funeral services will be held Saturday, September 28th, in the Little Church of the Flowers in Forest Lawn Memorial Park at 3 o'clock, with Scovern, Letton & Frey in charge.

REGISTRANTS RESPOND

The Instruction Board recently appointed by Los Angeles county Exemption Board No. 7 held its first mass meeting in the Grammar school at Eagle Rock Thursday evening. This was the first of a series of three meetings to be held in this district. The second will be a double mass meeting to be held tonight in Glendale, both in the High School and the Palace Grand Theatre. The third will be held Saturday evening at San Fernando.

The Eagle Rock meeting was largely attended despite the rain and proved to be most successful. The keynote was sounded by Mattison B. Jones, secretary of the local Exemption Board, who explained in detail the purpose of the meetings and conveyed the instructions given to the Board by Provost Marshal General Crowder. It is doubtful if Mr. Jones was ever in better fettle. The audience caught the magnetism of his patriotism instantly and his remark that "the black flag of Germany will be in the dust by another autumn, never to be flown again," brought his hearers to their feet.

At the conclusion of his address, Mr. Jones introduced Norton C. Wells, Chairman of the Instruction Board, who gave a brief resume of the purpose of the Board and in turn introduced Captain W. C. Wattles, who responded in his usual forceful, direct manner, outlining just what the military committee proposed to do, especially with reference to the Eagle Rock and Annandale district. That his remarks aroused a high pitch of enthusiasm was quite evident by the flood of questions that immediately followed, fully ninety-five per cent of those present conforming without reserve to the order of the War Department as outlined by the Instruction Board.

Besides the speaker, the following members of the Instruction Board were present on the platform: R. L. McNitt, W. D. Wyman, Captain W. B. Kelley, Glen M. Ely, Theodore F. Peirce and Stephen C. Packer.
